Explore the Finnish wildlife

When it comes to wildlife, Finland has a lot to offer! During only one week, we visit three main areas where it is possible to see some of the most sought-after European mammals. Starting from the lush forest and lake landscape in southern Finland, we look for the secretive Flying Squirrel and the endemic Saimaa Ringed Seal. We continue to the wilderness of eastern Finland, where we look for the true royals of the forests: Brown Bear, Wolf, and – Finland being the Wolverine watching capitol of the world - the wild Wolverine, all in their natural habitat.

Join our exciting small group tour for an unforgettable week within the heart of wild Finland!

Highlights: Brown Bear, Wolverine, Wolf, Saimaa Ringed Seal, Elk, Wild Forest Reindeer, Flying Squirrel, Beaver

Group size: 4 –6 persons

Landcost price: 3675€ **3300 €**
